Disclaimer: Any refunds submitted after an "added balance" will result in the removal of the #NightlineNation status and "added credit."

Disclaimer: This pricing sheet is only an estimate. The actual cost of training can be more or less than the quoted amount based on student variables. Availability and flexibility to train, lesson comprehension, flight proficiency, can impact the actual cost of training. With the exception of early withdrawal or program expulsion fees, a student is only liable for the funds they have used until the point of program completion, withdrawal, or expulsion. Estimated price is subject to change.

*Taxes and possible promotions have been excluded from this sheet.

**Nightline Air currently does not sell headsets or iPad devices, nor do we require a specific headset or iPad to be used.

***Other Courses** list the minimum hours required depending on aircraft type and training course. Please consult Nightline Air on actual rates and pricing.
